COVID-19 SAFETY GUIDELINES

Updated

STAFF, STUDENTS, FAMILY MEMBERS, AND CAREGIVERS WILL BE REQUIRED TO WEAR A FACE MASK OR CLOTH FACE COVERING AT ALL TIMES

Please send your student in a face covering that they are comfortable wearing throughout their time at the studios. If forgotten, we will have some kids' disposable face masks available.

CHANGES REGARDING DROP OFF / PICK UP AND SOCIAL DISTANCING

In order to control the number of people on the premises at all times, please have your child arrive at the studio on time, and please pick them back up promptly after camp ends. Drop off/pick up will be done in front of the studio.

- We ask parents/ caregivers to only enter the studios for drop-off and pick-up if absolutely necessary to limit our group sizes.

SUPPLY USE AND LOTS OF HAND SANITIZER

We are going to greatly minimize, but cannot completely eliminate, our students and staff touching some shared supplies. Our main method of defense will be for everyone to have clean and sanitized hands before touching any shared material, so our teachers will frequently give students a squirt of hand sanitizer throughout the class.

- We will have a "clean" supply and a "dirty" supply. Dirty supplies will be fully sanitized and/or quarantined prior to use by another student.

***Above guidelines and requirements are subject to change.**
